

Tip of the week! 18 augustus 2020

This weeks tip is all about YOU!

You as a singer, you as a music lover, you as a musician and you as a songwriter.

We are all alike but slightly different. We have a different taste of music, we like a different sound, we ourselves sound a bit different, and haven't got the same musical feeling.

Finding out more about your likes and dislikes will help express yourself better and will make your music more personal.

In the following weeks I will post a few "Make up your Minds". These blogs are all about finding out who you are as a singer and as a musician.

First one

WHO AM I AS: A MUSIC LOVER?

List:

What did you listen to when you were young?

What did your parents listen to when you grew up?

Choose one song for each emotion: happy, sad, relaxing, stressed,

Choose one song that describes your character

What do you like to listen to in spring, summer, winter and autumn?

Write down your answers each week and in the end you've gotten to know yourself a bit better :D

HAVE FUN!
